

CAT ADOPTION APPLICATION

Name of Cat: _____ Date: _____

Description: _____ Gender: Male Female

It is my goal to find a loving, safe, secure, responsible, "forever" homes for my cat. Having a cat takes a commitment of time, energy, love, attention, and finances. This commitment extends throughout the lifetime and duration of the cat's natural life, which can be 20 years or more. My cat will need good (non-human) food, clean water daily, an indoor home with access to a scratching post and places to hide, medical attention as the need arises and for annual vaccinations, and social interaction for the duration of his/her life. For this reason, I reserve the right to refuse an adoption to anyone who does not meet this criteria and who I feel will not be able to fulfill my cat's needs.
